**(use Court Place entrance)
201 W. Colfax Ave., Denver 80202**

Box City is a FREE event for children—grades K-5—where participants learn about the process of urban development and the principles that make for sound architecture, design and planning. Students start with a Building Permit for their desired building type, make a draft sketch of their building in the Design Studio if they want, stop at the Hardware Store to get their cardboard and paper supplies, then head to the Construction Zone to make their Box City structure. After completing the Building Inspection process, students head to the Box City street grid where an Urban Planner helps them select an appropriate building site. Finally, children finish the process by picking up their Certificate of Occupancy that includes a photo of them with their building.

**Children must be accompanied
by a responsible adult.**

HOW TO PARTICIPATE IN BOX CITY:

1. **Make a reservation:** A limited number of free tickets to guarantee entry are available at 9 AM, 10 AM, 11 AM, 12 PM and 1 PM. One child per ticket, maximum 4 tickets per reservation. Adult companions do not need a ticket—only participating children do. Arrive at least 5 minutes before your reservation time. Ticketholders arriving later than 10 minutes after their reservation time forfeit their reservation and will be directed to the “walk-in” queue.
2. **Walk in:** Participants are welcome to drop by Box City any time between 9 AM and 1 PM with entry on a first-come, first-served basis, after reservation ticketholders have been admitted. No new participants admitted after 1 PM. Entry is not guaranteed.

PLEASE NOTE:

Children must be accompanied by a responsible adult who must remain within the Webb Building atrium during their visit. Allow a minimum of 1 hour for participants to complete the Box City process (1.5 hours to 2 hours is not uncommon). Box City participants must finish by 2:30 PM.
